

FOR WHOEVER STARTS ON MONDAY

# TEN THINGS THAT ARE TRUE IN EVERY TEAM

- 1** There is a good kettle and a bad kettle. Find out which is which.
- 2** Somebody will say “it’s not usually like this”. It is.
- 3** The person who knows how everything works is not the most senior person. Be nice to them.
- 4** Your first case note will take an hour. That is fine.
- 5** Write it down the same day.
- 6** Nobody minds a question. Everybody minds a guess.
- 7** Supervision is yours. Bring the thing you least want to bring.
- 8** The family are more frightened of you than you are of them.
- 9** If you are not sure whether to ring your manager, ring your manager.
- 10** Eat lunch. Not at your desk. Not in the car. Try.
